b. Open Complaints/Investigations

Kerry Deering 11-OT-0104, Laura Beckman recused herself and turned the Chair over to John Tutelman Vice-Chair. Mr. Tutelman explained that new documentation had been provided to the Board and asked Board Members if they had any questions. Rebecca Grabski asked for clarification of the signatures on the documents. Board Staff identified the signatures as Michelle White OT Aide. Ms. White was in attendance and verified that the majority of the signatures on the documents were hers. The documents in question were attendance sheets where Kerry Deering was listed as attending, however, Michelle White signed for Mr. Deering on all but one. Rebecca Grabski requested that Michelle White address the Board.

Michelle White appeared before the Board. Rebecca Grabski asked Ms. White to state what her position was at Deering Therapy and she stated that she was an OT/PT Aide. Ms. Grabski asked Ms. White as an OT/PT Aide what her duties were. Ms. White stated that she was responsible for attending meetings, IEPs and parent consultations at the Kingman Academy. Ms. White also stated that from time to time another Aide or an OTA would attend the meetings as well. Ms. Grabski asked Ms. White what her involvement with the students was. Ms. White stated that she performed the therapy and wrote up treatment plans mostly by “the seat of her pants”. Ms Grabski asked Ms White if she was the only person working with the students. Ms White stated that she and another aide would work together some days because of the volume of students they were working with. Ms. Grabski then asked Ms White if Kerry Deering was ever in attendance at the therapy sessions. Ms. White stated that in the three years that she was there she could count on one hand the number of times Mr. Deering attended. Board Member Christine Feltman-Rosenberg asked Ms. White if Kerry Deering did all the initial evaluations. Ms. White replied that Mr. Deering did do all the initial evaluations but that she handled things from that point.

The Board next heard from Mr. Deering’s Attorney Stephanie McCoy Locum. Ms. Locum stated that she was aware that Board Staff had called several patients of Deering Therapy
and that she would like to see the results of those inquiries. Ms. Locum also pointed out that Mr. Deering and other staff members were present to answer the Boards questions.

Roxanne Judd, an employee at Deering Therapy, requested to address the Board. Ms. Judd stated that she felt like Deering Therapy was at a disadvantage because the events being discussed happened several years back. Ms. Judd also stated that the employees at Deering therapy work very hard at providing services to the residents of Kingman. Ms. Judd also stated that Kingman is a very rural area and that it was difficult to get qualified staff to work there. She stated that Mr. Deering pays for his staff to go to school in order to have qualified staff.

Shawna Serles next requested to speak to the Board on behalf of Kerry Deering. Ms Serles stated that she had worked at the Kingman Academy during the time that Deering Therapy provided services. Ms. Serles stated that she worked in special needs in conjunction with Deering Therapy. Ms. Serles stated that she left Kingman Academy to work for Deering Therapy in 2009. Ms. Serles stated that while at Kingman Academy, she worked with several aides and a COTA and that on Thursdays she would meet with Kerry Deering to go over treatment plans.

After hearing the testimonies, Rebecca Grabski move to go into executive session for legal advice. Christine Feltman Rosenberg seconded the motion. The motion passed. The Board went into executive session at 2:03 pm. The Board returned from executive session at 2:27 pm.

Upon return from executive session, Rebecca Grabski requested that Kerry Deering address the Board regarding his role in the Kingman Academy sessions. Mr. Deering stated that his relationship with the Kingman Academy was as a consultant and a therapist. Mr. Deering also stated that during the whole time that he was associated with Kingman Academy that he and/or a COTA were always present. Mr. Deering stated that he did not know what Michelle was referring too. Ms Grabski asked Mr. Deering why his name did not show up in the IEP meetings. Mr. Deering stated that the school did not want him in the IEP meetings. Occasionally he said he would attend if they were on a day he was available. He stated Michelle White would occasionally be sent to the school in regard to paperwork or billing not as the person treating the students as Michelle stated. Christine Feltman Rosenberg asked Mr. Deering how long he had the contract with the Kingman Academy. Mr. Deering stated that he had the contract from approximately 2002 to 2011. Ms. Grabski had several questions regarding IEPs and the sign in sheets.

After much discussion Rebecca Grabski moved to set a formal interview on June 15, 2012 for Kerry Deering citing possible violations of A.R.S § 32-3401 (g) (j) (o) (p) (q) (u) (y) and R4-43-401 and R4-43-402 during the years of 2007 and 2008 and any additional information uncovered.
