

Do I need a CE Broker account?

Arizona Board of Occupational Therapy

Why activating your free Basic Account is necessary

CE Broker Account

If your profession's continuing education is being tracked and/or managed by CE Broker, a free Basic Account is necessary.

You will never be required to pay for CE Broker. Paid subscriptions are intended to provide additional services that make tracking your education much easier.

For information on what's included in a paid subscription, visit our [Professional Account](#) page.
